

Woodside Riding School Directions

Tel: 01159 265147

How to find us.

1. We are about half a mile from the Bestwood Lodge Hotel, so if you know where that is go to point 6
2. From the main B6004 (Oxclose Lane) turn left or right depending on your direction onto Queensbower Road.
3. After about 200 yards turn right onto Bestwood Lodge Drive. There will be a playing field on your left.
4. Continue on this road, it will bend round to the left, there will then be open fields on your right. Continue on until you reach what appears to be a fork in the road, and a cream bungalow on your right. Indicate and turn right up the slope, there will be a car park and toilet block on your right, continue up the hill over the speed bumps towards the Notts Fire & Rescue HQ.
5. Follow the road round towards Bestwood Lodge, passing the Fire & Rescue HQ on your right, and the Old Stables on your left. Continue up the hill, preparing to turn right.
6. As the road swings left into Bestwood Lodge car park, you turn right onto what appears to be a dirt track and continue on up the slope passing the rangers timber storage compound on your right.
7. Continue on to another fork in the track with a large oak tree in the middle. Bare right at the tree and continue down the hill. *Ignore the right turn to Gaunts Hill, that's private housing, and has a gate across.*
8. Continue on down the hill, then bare right at the low silver gate that will be facing you. Keep going along the dirt track for around 200 yards, and Woodside Riding School is on your right through the gate on the left. We have plenty of parking space.
